Crisis Pregnancy Support

Māmā Me Pēpi Oranga

Maternal and Infant Wellbeing

A free service based in a General Practice for the region.

If you are unexpectedly pregnant or require extra support in your pregnancy we offer caring, practical, emotional and confidential support.

We care about all you are going through and provide a space to discuss your situation and the support available.

You can come to us directly or be referred

Crisis Pregnancy Support works by:

Being present at this time and listening within a caring and safe space

Exploring with you, your current challenges, what support you have and what else might be helpful

Supporting you if you need to find suitable accommodation

Staying involved as long as you require

Limited financial support may be accessed where there is hardship

Providing information on adoption if requested

Supportive care is available for grief related to pregnancy loss, miscarriage and abortion

Māmā Me Pēpi Oranga Maternal and Infant Wellbeing supports responsive, attuned, reflective relationships

Our team:

Acute Response Care Co-ordinators (RN = Registered Nurse)

Clinical Nurse Leader

Māori Advisor

Researcher/Administrator
